

## Rising 3<sup>rd</sup> Grade Reading Assignment

Incoming 3rd graders are required to read one grade-level book of the student's choice during the summer and to fill out one graphic organizer for [Fiction](#) or [Non-fiction](#) depending on the selection. Please use the librarian's book list as a guide or read a book of their choosing. Your child should come to school after the summer prepared to discuss the book during the first week of school. The students will need to have their books with them during the first few weeks of school, so please keep this in mind if they are borrowing books from the library. Students are also encouraged to read additional books at their leisure.
