

Krieger Schechter Day School

Krieger Schechter Day School designed the Bridges program to help students who enter KSDS in grades 1 - 8 seamlessly transition into the school. We provide academic support in General and Judaic Studies for all new students and individualized attention for those with little or no background in Hebrew and Judaics. We also ensure a successful social transition by helping students and their families effortlessly integrate into the KSDS community.

WHAT KSDS OFFERS:

Complimentary Hebrew, Judaic, and General Studies Spring/Summer tutoring sessions:

Sessions will either be one-on-one or small group based on grade, background knowledge and schedule.

Buddy families:

KSDS matches new families with three current families based on student age and interests so lateral entry students have many opportunities to connect with classmates.

One-day August boot camp:

Includes a crash course in navigating our hallways and routines as well as team-building activities to get comfortable with teachers and classmates.

Ongoing support:

One-on-one consultations with the Director of Bridges for students and families throughout the transition period.

What a treasure we found!

The transition from public school to a religious-based private school was completely seamless!

- C.J. AZOULEY, 7TH GRADE PARENT

My experience in the lateral entry program was amazing!

From start to finish, the process was seamless, allowing my daughter's successful transition in to Middle School. The staff continues to be helpful to my family.

- LAUREN KEAN, 1ST & 7TH GRADE PARENT

Every single person has made our daughter and family feel welcome, like we've been there forever. **The KSDS community has been outstanding!**

- JENNIFER & ANDREW GROSSMAN, 4TH GRADE PARENT
